

**Subject : Interior cover set available**

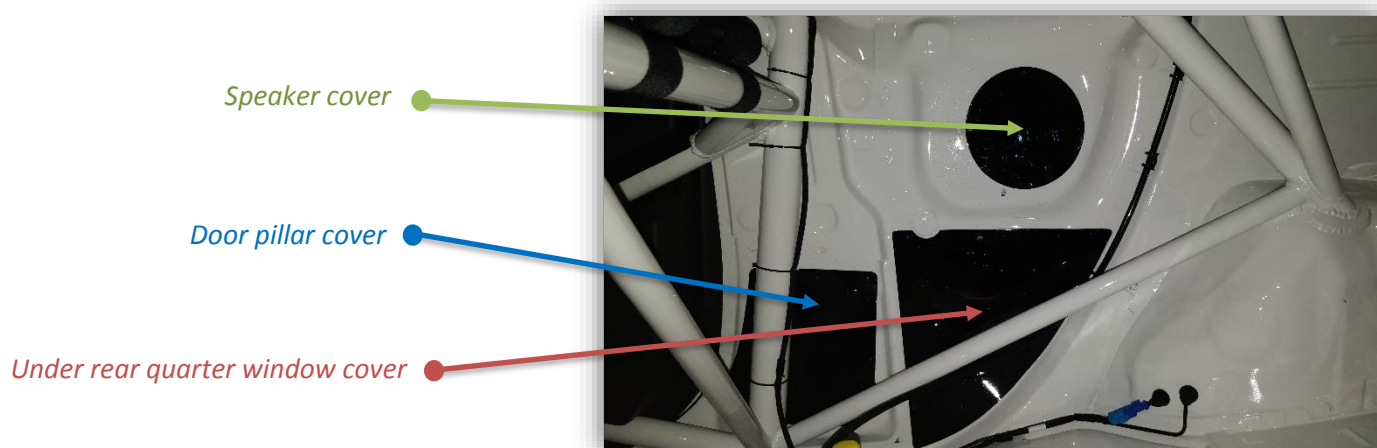

Dear customer,

In order to comply with Article 900b1 of Article 260 of Annex J, we offer a set of cover that will allow you to obtain an optimal level of finish.

We draw your attention to the fact that the mounting of these covers can only be achieved by riveting or gluing. This set is compatible with the 208T16, 208R2 and 208 Racing Cup.

**900b1 from the article 260 from the J appendices:**

It is possible to close the holes in the cockpit, the engine and luggage compartments, and in the fenders. The holes may be closed using sheet metal or plastic materials, and may be welded, glued or riveted.
