

Sujet: Pop-Off 2020

Vous pourrez trouver sur le site de la FIA la mise à jour de la « Liste technique FIA n°43 » relative aux pop-off homologuées, en date du 7 janvier 2019 :

<https://www.fia.com/file/76056/download/9214>

LISTE TECHNIQUE N° 43 / TECHNICAL LIST N° 43

Numéro d'Homologation <i>Homologation Number</i>	Fabricant <i>Manufacturer</i>	Modèle <i>Model</i>
FIA-R5-PopOff-005 (valid as from 01.01.2016) (no longer valid after 31.12.2019)	Angle Consulting Limited 40 Wayside Avenue Bushey Herts WD23 4SQ +44 (0) 208 950 2577 (T) +44 (0) 870 112 3213 (F) +44 (0) 7973 289 819 (M) www.angleconsulting.com Contact : perry@angleconsulting.com	1010-015-950 + 774-015-950 (insert)* *both sub-assemblies may be purchased independently (valid as from 01.01.2016) (no longer valid after 31.12.2019)
FIA-R5-PopOff-008 (valid as from 01.12.2017)		5183-017-950 + 774-015-950 (insert)* *both sub-assemblies may be purchased independently (valid as from 01.12.2017)
FIA-R5-PopOff-009 (valid as from 21.03.2018)	ORAL Engineering Srl Via Decorati al Valor Militare, 40 40135 – MODENA, Italy +39-(0)59512121 +39-(0)59512127 Contact : ppvalve@oralengineering.com	OED000886J + 774-015-950 (insert)* *both sub-assemblies may be purchased independently (valid as from 21.03.2018)

La pop-off Angle 05 n'est donc plus autorisée à partir du 1^{er} janvier 2020.

Seules les pop-off Angle 008 et Oral 009 sont donc autorisées.

Subject: 2020 Pop-Off valve

We would like to inform you that the FIA "Technical List n°43" (list of homologated pop-off valves) has been updated in January 7th 2019, and is online at:

<https://www.fia.com/file/76056/download/9214>

LISTE TECHNIQUE N° 43 / TECHNICAL LIST N° 43

Numéro d'Homologation Homologation Number	Fabricant Manufacturer	Modèle Model
FIA-R5-PopOff-005 (valid as from 01.01.2016) (no longer valid after 31.12.2019)	Angle Consulting Limited 40 Wayside Avenue Bushey Herts WD23 4SQ +44 (0) 208 950 2577 (T) +44 (0) 870 112 3213 (F) +44 (0) 7973 289 819 (M) www.angleconsulting.com Contact : perry@angleconsulting.com	1010-015-950 + 774-015-950 (insert)* *both sub-assemblies may be purchased independently (valid as from 01.01.2016) (no longer valid after 31.12.2019)
FIA-R5-PopOff-008 (valid as from 01.12.2017)		5183-017-950 + 774-015-950 (insert)* *both sub-assemblies may be purchased independently (valid as from 01.12.2017)
FIA-R5-PopOff-009 (valid as from 21.03.2018)	ORAL Engineering Srl Via Decorati al Valor Militare, 40 40135 – MODENA, Italy +39-(0)59512121 +39-(0)59512127 Contact : ppvalve@oralengineering.com	OED000886J + 774-015-950 (insert)* *both sub-assemblies may be purchased independently (valid as from 21.03.2018)

So, the pop-off valve Angle 005 is not authorized anymore.

Only the pop-off valves Angle 008 & Oral 009 are homologated.
