SUPPORT DE RACLEUR

Chers clients,

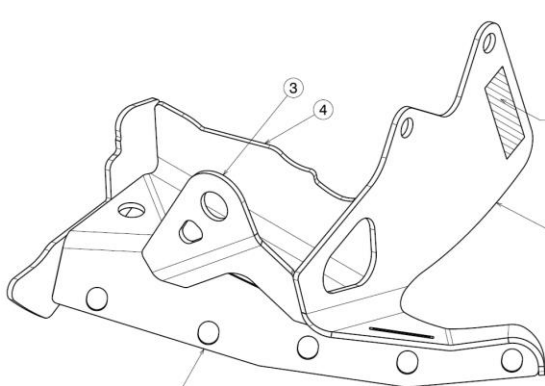

Une nouvelle version du support de racleur, compatible avec les nouveaux disques de frein terre (ep 33mm) sera bientôt disponible auprès de RacingShop :

Support de racleur G : 904904378B

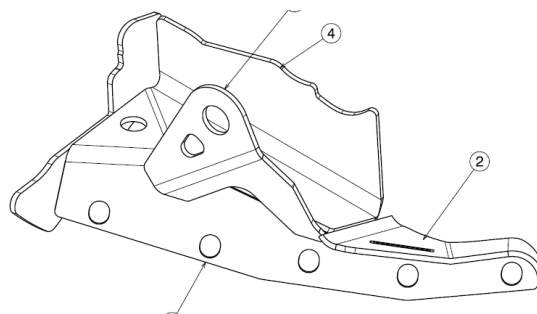

Support de racleur D : 904904388B

Ce nouveau racleur sera homologué à partir du 1^{er} mars 2023.

Vous pouvez également modifier vos supports actuels (ref 904487528E pour le support D et 904487538E pour le support G) en supprimant la tôle de protection de point D comme ci-dessous.

MUD SCRAPER BRACKET

Dear customers,

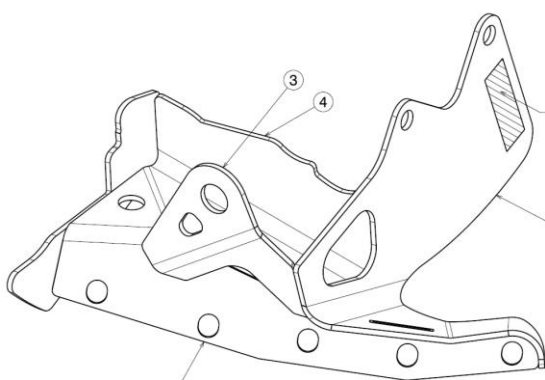

An update of the mud scraper bracket, to suit the new gravel brake discs (33mm thick), will be available soon at RacingShop:

Left mud scraper bracket: 904904378B

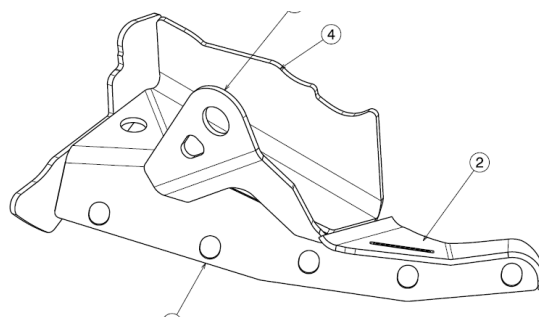

Right mud scraper bracket: 904904388B

This new mud scraper bracket will be homologated from 01/03/2022.

Meantime, you can also modify your current brackets (ref 904487528E for left one and 904487538E for the right one) by removing the point D protection as follow:

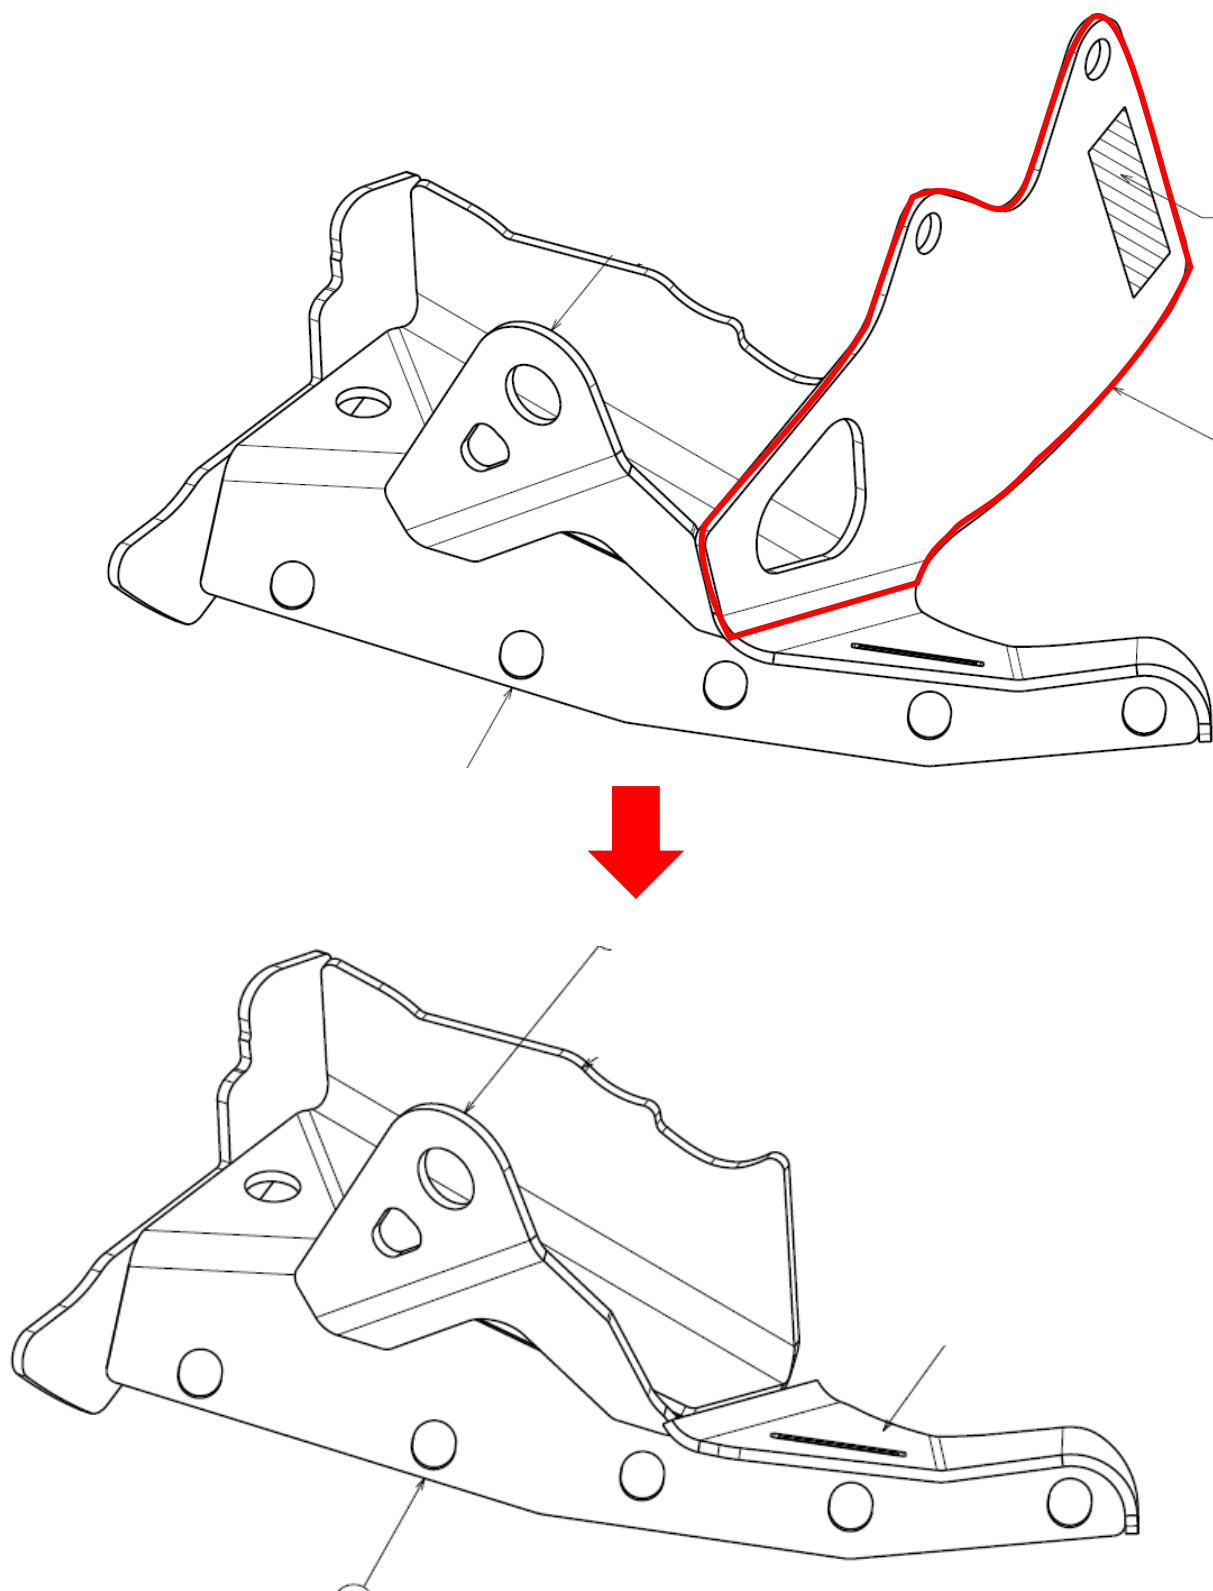

Old bracket

New bracket
